Date: 18 July 2024

Subject: Letter of Appreciation for Organising Health Outreach Programme

Respected Sir/Madam,

I am pleased to convey my sincere appreciation to you, the faculty members, and the student volunteers of Government Degree College, Drang at Narla, for successfully organising a Health Outreach Programme in collaboration with the Himachal Pradesh AIDS Control Society (HPSACS), Zonal Hospital Mandi, Civil Hospital Padhar, and Zonal Hospital Jigindernagar.

The outreach programme proved to be highly beneficial for the people of the Padhar region, as around 100 local residents availed themselves of essential healthcare services. Screening tests for HIV, Hepatitis, and blood sugar were conducted efficiently, along with health counselling and awareness. The active participation and dedicated service of the Red Ribbon Club, Rovers and Rangers, and other student volunteers of the college played a pivotal role in the smooth conduct of the programme.

Such collaborative initiative has contributed meaningfully to improve health awareness, strengthen community health services, access basic medical services in the region, and initiated commitment towards social responsibility and public welfare.

On behalf of Civil Hospital, Padhar, I extend my heartfelt appreciation to Government Degree College, Drang at Narla, and all collaborating departments and institutions for this valuable initiative. We look forward to continued cooperation in organising similar community-oriented health programmes in the future.

With regards,

Yours sincerely,
