1. Routine Audit by Accountant General (AG)/State Audit

The tuition fees collected from students are deposited in Government accounts through challans and the receipts/payments are audited by the Accountant General (AG) Himachal Pradesh. This is part of the regular financial audit process of government college accounts and is standard practice for government institutions to ensure proper use of funds.

2. Financial Audit Structure

Internal audits (by college bursar/committees) and external audits by the Government audit department take place annually, with audit objections addressed with supporting documents before the next audit. These include audits of local funds, statutory compliance, PTA audits, and government treasury transactions.

GDC Drang at Narla does undergo audit of its financial accounts by the Accountant General's audit (AG audit) of Himachal Pradesh, especially for tuition fees and funds compliance as per government requirements.

AG Audit till date

Total No. of paras raised by the auditor = 03

Number of paras settled by the College = 03
