Field Excursion Visit to CSK HPKV Palampur and Science Centre Palampur on dated 18/11/2024

https://www.gcdrang.ac.in/Photo_gallery.aspx?catg=Field%20Excursion%20Visit%20to%20%20CSK%20HPKV%20Palampur%20and%20Science%20Centre%20Palampur%20on%20dated%2018/11/2024

Imolcatyion ;Field excursions to science centers bridge the gap between abstract theory and industry reality. By observing real-world applications of STEM, students identify specific interests, from robotics to biotechnology. These visits provide clarity on job roles, inspire specialized research paths, and offer networking opportunities, making career goals tangible rather than theoretical.

Educational Tour to Trout Fishery Farm Barot 05 March, 2025

https://www.gcdrang.ac.in/Photo_gallery.aspx?catg=Educational%20Tour%20to%20Trout%20Fishery%20Farm%20Barot%2005%20March,%202025

Implication; A tour of a trout fishery introduces students to aquaculture, environmental science, and sustainable food systems. It highlights career paths in fisheries management, marine biology, and ecological conservation. By witnessing real-world operations, students gain practical insights into resource management, bio-security, and the intersection of technology and natural sciences.
